Student of the Week
This week’s Student of the Week award goes to Charles Adams. Charlie had an excellent week last week. He has been helpful and co-operative in class and has been making a big effort in writing. We are all very proud of you Charlie – keep up the good work!

Art Spectacular
Please remember to invite your friends and family to this marvellous event. It will once again be an amazing experience and as it is so unique, we want to take the opportunity to promote the strengths of our school to everyone around us.
All children will be participating in the evening so please make sure the children are at the hall by 6:45pm on Monday 25th. Could each family please bring a plate of goodies to share for supper.

P&C Meeting - Tonight
All families are invited to attend the P&C meeting tonight at 7pm. Thank you to those who regularly make time to support this vital aspect of our school.

Aboriginal Cultural Day
This Wednesday, all children will be participating in a visit to Deniliquin where we will become involved with the Wamba Wamba, Perrepa Perrepa Cultural Week celebrations. The children will listen to a dreamtime storyteller and then go on a tour of the Island Sanctuary which will highlight the local Indigenous Natural Resources of the area.
Students must wear sensible walking shoes, a hat and bring a water bottle. We will travel by bus and return by 12 noon. Please return the attached note tomorrow.

New Resources
With the prize money received from Your Community Cares for our ‘Hey Diddle Diddle’ film, we have purchased and are already using, another flip camera and a document camera. Now there is a flip camera for each class and the document camera will be shared between the rooms. The document camera projects any image immediately onto the electronic white board which can then be saved and edited as required. It can be used with 3D objects or from books etc. It has really enhanced modelled lessons and gives many children a chance to interact with an example before going on with their own individual tasks.
