Student of the Week
This week’s Student of the Week award goes to Adam Fisher. Adam has had an excellent start to his new school. He is a kind and well mannered boy who is quickly making new friends. Adam is putting in a lot of effort with his reading and writing and we are very pleased to have him at our school.

Thank You
Thanks to all of you for your strong support at the Art Spectacular. It was an amazing night! The students spoke beautifully and were rightfully proud of their outstanding artwork. I thought the community spirit was strong and extremely positive. Our Regional Director is going to try and view the Artwork before it is removed this week. Please contact me if there is anyone who would still like to view the exhibition.

Mirii Yulugi Star Dancers
This Friday at 9:30am we will be having some Indigenous Dancers coming to our school to perform for our students. The performance will include dance, storytelling, artifacts, language and a demonstration of hunting weapons. Troy Allen grew up in Sydney and Gwenda Stanley is from Moree. The school will cover the cost of this performance so there will be no charge to the students.
Excursions
Next Wednesday is the big day!
K-2 are off to Billabong Ranch. We are going to have such a great day! If parents are bringing pre-schoolers they will be charged at the same rate as the students - $35, but the school cannot cover this expense. If parents want to join in the activities with the children, it will also cost $35, but there will be no charge for you just to sit and watch.

3-5 students will be heading off on the 10th as well. Please have your child at the cnr Barham/Moulamein Rd & Wakool Rd by 6:20am on Wednesday morning as the bus will pick up at 6:30am. Miss Biti will be already on the bus from Barham to meet the students at the pick-up point.

Crazy Camel
The P&C are currently organising a calendar fund raiser. The Primary students have already finished their pictures which are now available for viewing, but the infants class will finish theirs on Wednesday. Leaflets were sent home last Friday, please let me know if you didn’t receive it.

Vegie Patch
The students have been harvesting some excellent produce from the vegie patch under the careful watch of Sharon. I’m sure each family has appreciated the cabbages sent home yesterday. The students have also been enjoying their vegies at after-school sport and the odd snow pea or sugar snap pea at lunch breaks.

Welcome Centre
This is our month to support the Welcome Centre. A monthly get together for Wakool’s Senior Citizens that is supported by every organisation in Wakool.
We will need a few families to supply afternoon tea this Thursday and two people who can be there on the day to help with lunch and afternoon tea. Please let me know if you can help out.
