Student of the Week
This week’s Student of the Week award goes to Katie Burnett. Katie is a pleasure to have in our school. She is a great leader with beautiful manners, plays well with all students and completes classroom work to a high standard. Congratulations Katie, we are very pleased you have joined our lovely school.

Excursions
Wednesday is the big day!

K-2 are off to Billabong Ranch. Just a reminder that students are to wear their sports uniform, including hats. As we will be outdoors all day, sunscreen should be applied before school and brought in their bag to reapply, unless you are happy for your child to use the school’s sunscreen. Students need a packed lunch and plenty to drink. As we will return about 4pm there will be no bus run and you will need to collect your children. I will ring Vicky when we are leaving so you can check on our arrival time if you wish. Sara Mathers and I will be taking any children who needed transportation.

3-5 students will be heading off this Wednesday as well, with Miss Biti and Kelly Green. Please have your child at cnr Barham/Moulamein Rd & Wakool Rd by 6:20am on Wednesday morning as the bus will pick up at 6:30am. Miss Biti will be already on the bus from Barham to meet the students at the pick-up point. Please remember to give Miss Biti any medication (clearly labelled) before heading off. Children will be responsible for any electronic equipment or cameras they choose to take – please label any items taken. School uniforms do not need to be worn, but warm neat clothes will be needed as the weather should remain fairly cool. Please give any supper/afternoon tea items to Miss Biti on arrival.

Welcome Centre
Thank you to all who supplied afternoon tea and prizes for the Welcome Centre last week. I hear they had an enjoyable time, especially listening to our students explain the development of their artwork, which was still on display.
Mirii Yulugi Star Dancers
Troy and Glenda performed for the students on Friday. They were introducing the students to various terms from their Aboriginal language and kept the students informed and entertained for the morning.

Coming Up...
