Student of the Week
This week’s Student of the Week award goes to Ned Mathers. Ned consistently completes tasks to a high standard. He takes pride in his bookwork and puts a lot of effort into any written work. Ned is always polite and has impressed me recently with some very mature and responsible behavior. Well done Ned!

AASC
I am pleased to announce that our school has been nominated for and received a ‘Super- Site’ award for our After School Sports program. Our school has been recognised as an outstanding provider of After-school Sports activities within our region. This is due predominantly to the outstanding leadership and planning given by Sharon McInnes and her assistant coaches Corey, Daniel and Makayla. Sharon herself has been nominated for and received, a community coaches award for outstanding performance and commitment to the after-school sports program. Congratulations Sharon!

P&C Meeting
Please come to our P&C meeting tonight at 7pm, if you can make it. Numbers have been very low for the last two meetings which makes it a little hard to progress with important decision making. It would be lovely to see support from each family if possible.

Counsellor Visit
Michelle White will be at school tomorrow- Tuesday 16th. Please let me know in the morning, if you would like to see her at some stage through the day. This will be Michelle’s last visit to our school this year.

Assembly
This Thursday we will hold our final school assembly for the year. We will have a special guest from Deniliquin presenting the AASC awards at this assembly.

Proud and Deadly Ceremony
This Saturday 20th November, there will be a special awards ceremony at the Moama Bowling Club. Des'Lea and BJ will each be receiving an award and if you would like to support them and attend, please let me know and I will give you the details.
Excursions
K-2 students had an excellent time at Billabong Ranch. I’m sure that the parents have heard lots of stories already.
The 3-5 students also had an amazing time and came home very tired, but happy. Thanks to Miss Biti and Kelly Green for their excellent supervision over three very long days and nights.
There will be a power point presentation at the assembly on Thursday, to see what the students got up to on their trips.

School Photos
School photos will be available next week. The pack contains one A4 layout with a class photo and two individual photos. There will also be four 6x4 individual photos and a CD with all the photos for your own use. The cost will be $20 for the first child and $15 for second children.

Art Work
We will be sending home the children’s artwork next week. The clay pieces may be picked up next Tuesday afternoon when you collect your child from after school sports. The clay work was highly subsidised by Your Community Cares and the school, but there is still a cost to the students of $15 each for their clay pieces.

Head Lice
Please be aware that we have had a report of head lice being present in our school community. Please be vigilant in checking regularly and treat if any signs are found. Diluted tea tree oil is a good preventative and 100% orange juice can be used with a fine tooth comb, to remove eggs as an effective, natural alternative to chemical use.

Coming Up...
Week 8
