In Brief...

This Week:  
- Tues - Cohuna Pool  
- Footy/Netball day at Balranald Yrs 5/6  
- Wed - Miss Biti to Clever Climate Professional Learning

Next Week:  
- Mon - Leadership Day Yrs 5/6  
- P&C Meeting 7pm  
- Tues - Butterfly Effect Yr 5/6 girls

Last Friday
Thank you to all those who attended our assembly and the official opening of our new library. It was a lovely afternoon and Colin Parker said he enjoyed meeting and chatting to many of you and he thought our school had a welcoming and happy tone.

Regional Swimming Carnival
Last Friday Jana travelled to Albury to compete in the Regional Swimming Carnival. Jana did a fantastic job and took 10 seconds off her time at Swan Hill. Congratulations Jana on representing your school so well last week. We are very proud of you!
Student of the Week
This week our student of the week award goes to Isabelle Hausler for taking on a responsible attitude at school, for stepping up as a caring leader whilst the school captains were away and for treating those around her with respect. Well done Isabelle, those are the qualities that we want to see in all our students here at Wakool Burraboi.

AASC -Cohuna Pool
We will have our final visit to the waterslide this Tuesday. The details are the same as last time and we will return at 5pm. As you could see from the photos during assembly, the children had a fantastic time and that is part of the philosophy of Active After-School Communities, to provide an enjoyment for sporting and active pastimes and encourage a desire in children to participate in a healthy lifestyle.

Footy/Netball Trials
Year 5/6 students have been invited to Balranald for the day this Wednesday 9th March. I will explain details to those who have indicated they wish to attend

P&C Meeting
Please come along and have a say in the running of the P&C. This is your opportunity to discuss any general concerns, suggest ideas and offer support to your school. I really encourage new families to come and meet other parents who also want to provide the best environment for their child’s learning.
Leadership Day
Next Monday 14th March, our year 5/6 students will have the opportunity to attend a workshop in Barham to develop their leadership skills. An organisation called Rising Generations will run the day for all the local primary schools and the students will really enjoy the way they present the activities throughout the day. Students will need to take their own morning tea and lunch for the day.

I am currently looking for a parent or two to drive the students to and from Barham Club for the day. Parents are welcome to stay for the day or just drop the students and pick them up again at the conclusion. Please let me know if you are able to help out with transport.

Butterfly Effect
Next Tuesday 15th March, our year 5/6 girls have been invited to Barham HS to participate in a personal development course designed especially for girls as they approach adolescence and explore many of the social/emotional issues they will soon be facing.

Sharon McInnes has offered to transport and accompany the students for the day. Could those girls who have siblings that travel to the high school, please catch the bus with them on the day?

Scripture Lessons
I would like parents to have a think about the way they would like to see scripture offered in our school this year. Rose Landini and Irene Coote have offered their time and expertise to teach the children, but with the extra students they may need some assistance this year.

The scripture teachers will need to operate K-2 and 3-6 separately, which means it is more of a time commitment to cover both classes. If any parent would like to assist Rose and Irene or you know someone who may be interested, please let me know.

I would like you to indicate your preference for the regularity of lessons and which scripture group you would prefer. Could you please return the attached form so I can discuss the arrangements with Rose and Irene.
