In Brief...

This Week:
- Mon - Yr 5/6 CAP Leadership Day
- P&C Meeting 7pm
- Tue - Yr 5/6 girls Butterfly Effect
- AASC at school

Next Week:
- Mon - Harmony Day
- Wed - Minds at Work (Cathy/Cassie in Albury)
- Thurs - Canteen Committee Meeting 9am

Wakool Show
Congratulations to all those of you who were involved in the organisation and running of the Show. A special thanks to Rose and Sharon who did a great job setting up and manning the animal nursery and face painting tent. Thanks also to Andrea for organising the colouring in competition and art display. Tanya did a great job running the Little Miss & Mr Sun Show competition. What a talented group of parents we have here!

Student Of the Week
Congratulations Charlie Adams for beautiful manners, getting down to work quickly and a huge improvement in his handwriting. Keep up the good work Charlie, you really are a pleasure to have in our class.

P&C Meeting
Please come along and have your say at our P&C meeting tonight at 7pm. We would really like to see a representative of each family if possible.

AASC
Afterschool sports will now be at school each week. The children will be starting volleyball skills. Could parents please remember that children need to be picked up at 4:30pm each week?

Harmony Day
Next Monday we will be celebrating some of the various cultures that are evident in our multi-cultural Australia. If you would like to talk to the students about a culture that is important to you, or have something to show the children please let me know. Perhaps you’ve just visited another country and have some knowledge or artefacts that would be interesting to the children. We will be sharing a multi-cultural lunch, so if you can contribute something special please give me a ring.
Just remember that if your child has intolerances to certain foods, we need to be aware of that.
Sleeping Habits
At the start of the school year many children have difficulty adjusting to busy days and may have trouble getting off to sleep at night. If your child is reluctant to head to bed here are a few pointers that may help;

- keep regular routines as often as possible. eg dinner, bath, story, bed.
- try heavy curtains or blinds to darken the room if it’s too light to sleep
- try to avoid stimulating or energetic activities after dinner that may ‘hype’ them up
- soothing music may help as they lay in bed
- read to your child - it’s not such a great time to ask them to read if it’s difficult for them- but it may be fine for confident readers.
- relaxation techniques like massage or soothing oils
- remind children that it’s OK if they can’t get to sleep - just by lying down quietly their body will be resting and renewing their energy for the following day

Canteen Committee Meeting
The Canteen Meeting will be held at school next Thursday 24th March at 9am. New and existing parents are welcome and encouraged to attend.

PBL Focus

**Toilet Block**

- Allow privacy

**Respect**

- Hands and feet to yourself
- Wash hands
- Flush toilet

**Safety**

- Good hygiene

**Learning**

- Good hygiene
