In Brief...

This Week:
- Mon  - Harmony Day
- Tues - AASC
- Wed  - Creative Catchment Kids to Deni
  - Cassie & Cathy to ‘Minds at Work’ PL
- Thur - Canteen AGM 9am
- SAT/SUN - Fishing Classic

Student of the Week
This week Miss Biti is very pleased with John Paul’s fantastic work ethic. John Paul has been putting in a lot of hard work and he has completed every task required of him. It was lovely to see John Paul step up when the older children were away and show his leadership potential. Congratulations John Paul on an excellent week’s work!

Creative Catchments
Katie, Kasey and John Paul are our environmental student representatives this year. They will be attending a workshop at Edward PS on Wednesday to gain understanding of the project for 2011 and plan some ideas for our school. Thanks to Rose Landini for escorting the children on the day.

Minds at Work
This Wednesday Cassie and I will travel to Albury to attend a Professional Learning course called ‘Minds at Work’. Jason Clarke will speak on developing children’s thinking skills in the classroom.

Canteen AGM
This Thursday morning at 9am we will hold the Canteen AGM. New parents are most welcome to attend.

Fishing Comp Breakfast
This weekend is the Wakool Fishing Classic and our school P&C have been invited to prepare breakfast for the campers on both Saturday and Sunday mornings. We need a parent from each family to assist in the cooking and serving of breakfast. Please let the school know if you are available for one or both mornings, or just show up at 6:30am at the Wakool River camping area.
PBL Focus
Our Positive Behaviour for Learning focus this week extends to our whole school in general, rather than a specific area.

At Wakool Burraboi PS...

Respect
• Be polite

Safety
• Follow instructions
• Hands and feet to yourself

Learning
• Stay on task
• Do your best
• Participate

Harmony Day
Thank you to all the families who were able to send in food or artefacts from another country. The children will have lots to tell you!
