Anzac Day Parade
Congratulations to all those students who marched in the Anzac Day Parade in Wakool last Monday. It was a lovely day and I was very proud of all our students who represented our school beautifully. Special thanks to our School Captains, Sharey and Katie, who read an Anzac Day poem so eloquently during the official service. Mrs Mathers did an excellent job running the service and there was a lovely sense of community spirit present on the day.

Cross Country
This Friday we will participate in a Cross Country day at Mallan. Parents are welcome to join us for the day. All students will attend and a bus will be provided for those students not travelling with their parents. Thank you to the P&C for offering to cover the bus fare to support all families. Students will need to wear their sports uniform and hat. They need to bring plenty to drink and a packed lunch and recess. We will depart school as soon as the busses arrive approximately 8:40am. If you need to contact us through the day my mobile should get reception -0429 603512.

Professional Development
Last Wednesday Julie, Cassie and I attended a professional learning day at Tooleybuc to enhance our technology skills. It was a very practical day as we investigated new websites, software and ways to integrate technology further into our teaching. We will be using some of these skills this week as the students develop another short film for the YCC Film Competition.

Scripture Lessons
Thank you to Rose Landini, Nola Green, Tanya Mitchell and Irene Coote for volunteering their time this year to teach Scripture lessons at our school. Scripture The students all seemed to thoroughly enjoy their first week. Thanks ladies!

There is no Afterschool Sport this week - it will begin next Tues
