Student of the Week
Congratulations to Felicity Macauley who is this week’s Student of the Week. Felicity is a delight to have at our school with her positive attitude and enthusiasm for learning. Felicity has been making a big effort with her reading recently and Miss Biti is very impressed with her work in class.

Narelle Oliver's Visit
Narelle’s visit was superb. She explained her processes of creating picture books to all students, who got an in-depth understanding of the meaning and intention behind much of Narelle’s artwork and language used in her books. Narelle took the primary group through the process of creating their own class picture book using printing techniques which we will go on to publish for the students. Narelle worked on illustration with the infants’ students, but you will have to wait for the Art Spectacular to see their amazing works of art!
P&C Meeting
Please come along and show your support tonight for the P&C meeting at 7pm.

Canteen Meeting
Would all interested parents please attend a canteen meeting this Tuesday afternoon just before Afterschool Sport finishes.

School Assembly
This Friday we will have a whole school assembly at 2pm in the 3-6 classroom. Please make family and friends feel welcome to attend.

Family Welcome Evening
Whether you are a new or old school family, please take the opportunity on Friday night to come and meet some other school parents. I am proud to say that we have a very dynamic and talented group of supporters in this community and as we develop stronger relationships with one another the students will surely benefit as we work together to provide extra opportunities for them.

The Artist – Kathryn Powderly
Clay is my greatest love – through clay I have discovered aesthetic beauty, historical and contemporary links, tactile pleasure and a medium through which I have gained personal expression.

I am committed to a vision of incorporating art more completely in our lives. With this in mind I have set up an art studio in Wagga Wagga which caters for 60 adults and 60 children a week in ongoing ceramic, mosaic, drawing, painting and figurative sculpture classes. This is having a flow-on effect of clay being included in local school curriculum and a heightened profile for ceramics and associated art works in our community.
