Family Night
What a wonderful evening!! The weather was kind to us, the kids were excited and happy, adults seemed relaxed and chatty - definitely a worthwhile night. It was lovely to see nearly every family join in with some grandparents and friends enjoying the friendly atmosphere as well. Thank you to everyone who pitched in and made the night run smoothly, from cleaning the BBQ, cooking, serving, washing up, lighting fires, providing wood, donating meat, and bringing supper, to collecting groceries, making coleslaw and packing up.

Thanks to the P&C for covering the dinner expenses, thank you to Merv and Andrea for donating the steakettes and a special thanks to Andrea for the extra cleaning involved afterwards!

I really am very lucky to be working with such a lovely school community and I do appreciate the way you support our school functions.
**Student of the Week**

Congratulations this week goes to Eboni Bennett for being our Student of the Week. Eboni has made some recent breakthroughs in her writing and it is lovely to see all her hard work paying off. Eboni is well behaved in class and always uses polite manners. Congratulations Eboni - you’ve had a great week!

**Recorder Rehearsal**

This Wednesday I will take the group who are performing in Sydney to a rehearsal in Wagga. Sara Mathers will replace me.

**Red Nose Day**

Next Friday 24th June, is Red Nose Day. Children be encouraged to wear red items for the day and bring a gold coin donation to support the work of SIDS research. Normal lessons will occur until after lunch when we will have some ‘Red Fun’ until Scripture at 2:30pm.

**Kath Powderly**

Kath will be working with our students on Monday 27th & Tuesday 28th June. The P&C have kindly offered to pay for half of the student’s costs to pay for their clay pieces this means it will only cost each student $15 each instead of $30. I hope some of you will be able to make the community member’s art session on the Monday night to create some memorable art pieces. No prior experience is necessary!!

**The Artist – Kathryn Powderly**

Clay is my greatest love – through clay I have discovered aesthetic beauty, historical and contemporary links, tactile pleasure and a medium through which I have gained personal expression.

I am committed to a vision of incorporating art more completely in our lives. With this in mind I have set up an art studio in Wagga Wagga which caters for 60 adults and 60 children a week in ongoing ceramic, mosaic, drawing, painting and figurative sculpture classes. This is having a flow-on effect of clay being included in local school curriculum and a heightened profile for ceramics and associated art works in our community.
