In Brief...
This Week: Fri - Public Speaking Comp & Red Nose Day
Next Week: Mon/Tues - Kath Powderley
Next Term: Students resume - Tues 19th July
            Combined Athletics Carnival - Thursday 28th July

Student of the Week
Congratulations Samual Membrey for being this week’s Student of the Week. Sam has had a very settled week at school. He is working hard in class with a great attitude. Sam was also the only student from our school to make it through to the Regional Cross Country where he came up against some stiff opposition. We are all very proud of you Sam for your big effort in class and on the race track.

Public Speaking Competition
This Friday at 12 noon our primary students will present their speeches to our Lion’s Club representatives. Parents and friends are welcome to attend and listen to the speeches. One child from stage 2 and one from stage 3 will be chosen to represent our school at the Lion’s Club meeting on Monday 4th July in Barham where the students will compete against students from neighbouring schools.

Red Nose Day
This Friday we will be raising money to support SIDs by having some red fun. Children are encouraged to wear something red and bring a gold coin donation. After lunch we will have some red fun! Scripture will be on as usual at 2:30pm.

Sports Shed Clean Up
We had arranged a fundraising meeting for this Tuesday afternoon, but could I please swap that for a chance to clean the Sports Shed out before the Combined Athletics Carnival we are hosting next term? I am asking for some help to pull everything out, give things a good clean & sort and then fill the lovely, clean, mouse-proof plastic tubs which the P&C have kindly donated for the purpose. If you could spare some time on Tuesday between 3:30 and 4:00 we would really appreciate some help.
Kath Powderly
We are very fortunate to have Kath travel out from Wagga once again to work with our students. The students will each create two clay pieces. We very much appreciate the support of the P&C who are subsidising the cost to each family by reducing it from $30 to $15 per child.
The adult workshop still has a little availability so please contact Vicky quickly if you would like to join in next Monday night - as an extreme art novice I can highly recommend the experience!

Combined Small Schools Athletics
Please note the new date for this carnival which will be hosted here at Wakool Burraboi, is Thursday 28th July.
It is very difficult to negotiate a date between four busy schools, so I apologize if the change to a Thursday is going to prevent any of you from attending. Please keep the date free if you are able as there will be many jobs to be covered on the day.

Excursions
The Stage 3 excursion which is combined with Barham, Moulamein and Mallan schools will be held from Sunday 18th to Friday 23rd September. The students will visit Canberra and Jindabyne, but I have not got pricing details as yet. I will let you know as soon as possible.
The stage 2 excursion will be held at the Borambola Sport and Rec Camp on the 24th-26th October. Again I haven’t got any costings at this stage but I will let you know as soon as I can. This excursion will be combined with Moulamein and Mallan students.

Early Stage One and Stage One will have a day excursion in Term 4, with details to follow later in the year.

Reports/Parent Teacher Interviews
Student progress reports will be sent home later this week. Parents who would like to see Cassie or I about these reports are welcome to make an appointment on Wednesday 29th July. A response note for interviews will be sent home with the reports.
If this day doesn’t suit, then please discuss with us another appropriate time.
